### POSITION SUMMARY:

This is an **Experienced Industrial Machine Technician** position responsible for keeping production machines in optimal operating condition to meet production efficiency goals.

Install, troubleshoot, repair and maintain production line machinery and equipment in our fast-paced manufacturing environment. Equipment/machinery includes high speed automated packaging lines with tablet presses, cartoners, mixers, blenders and various other pieces of production equipment involving pneumatics, hydraulics and electrical systems.

Perform preventative maintenance and support continuous improvement and engineering tasks.

The experienced Machine Technician will coordinate assignments with production and engineering to minimize downtime, to include up-front planning of proper parts to undertake job and replacement of spare parts as appropriate.

Strict adherence to safety precautions, regulations and Good Manufacturing practices (cGMP). Including completion of all documentation required to stay compliant.

Ideal candidate will have:

- Exceptional mechanical troubleshooting skills
- Mindset to complete a job right the first time
- Drive for continuous improvement
- Interpersonal skills to mentor, train and/or coach machine operators

### MINIMUM QUALIFICATIONS:

- **Minimum 4 years experience machine maintenance in high-speed manufacturing environment; Journeyman Machine Repair certification a plus**
- **Proven strong troubleshooting skills and must be a proactive problem solver**
- Electrical and/or electro-mechanical experience a definite plus
- Comprehensive knowledge of mechanical principles; including pneumatic and hydraulic systems
- Strong mechanical skills, good working knowledge of shop equipment (lathes, mills, etc.).
- Working knowledge of shop measuring tools such as calipers, micrometers, rulers, etc.
- Strong communicator and team player; ability to coach machine operators
- High School diploma (or equivalent) required; technical diploma, certificate or degree preferred

***Pay rate commensurate with experience. Relocation assistance available.***

Tower Labs production environment is clean and temperature and humidity controlled. Uniforms provided.

This medium sized company is family owned/run and offers a friendly, dynamic working environment with a competitive benefit package including 401(k) with generous company match. *Come join our team! Tower Labs is a Socially Responsible Employer and a great place to work!*
